# WELCOME

Thank you for coming to the second annual Auction 2 Cure MS! We hope you have a great time tonight and would love to make sure you do! This year we are changing it up a bit! Please read through the catalog and help us raise money for the MS Society!

Melissa became involved with the MS Society about 5 years ago when she was diagnosed with Multiple Sclerosis. Now, she's trying to branch out and create an annual event to help raise money for the BikeMS event that the Oregon chapter hosts in August every year.

There isn't a cure for MS and there are well over 9,000 people being helped by the Oregon Chapter in various ways. Some are helped with mobility aids, air conditioners, support groups, and education.

Being diagnosed with MS changed Melissa's life, but she's still living life to the fullest! This year her goal is to do the century ride!
